

TECHNICAL RIDER

the Fvcking Foo's

GENERAL PRESENTATION

Music Style: Rock, Alternative

Date of creation: 2023

Localisation: The Hague, Netherlands

Description:

The Fvcking Foo's started with a group of likeminded people with a big love and respect for the music of the Foo Fighters. Now we strive to bring all the fans the best Foo Fighters experience they could imagine by giving them a musical, energetic and steaming performance every time we jump on stage.

Members:

- Wilmer Teske – Guitar / Lead Vocals
- Coen van Vliet – Bass
- Jens de Jongh– Drums/ Lead and Backing vocals
- Sami Farhaoui – Guitar
- Ger de Wilde – Guitar/ Backing vocals

Languages: Dutch & English

- 1 microphone

Ger de Wilde – Guitar

- 1 electric guitar
- 1 multi effects processor (mono DI output)

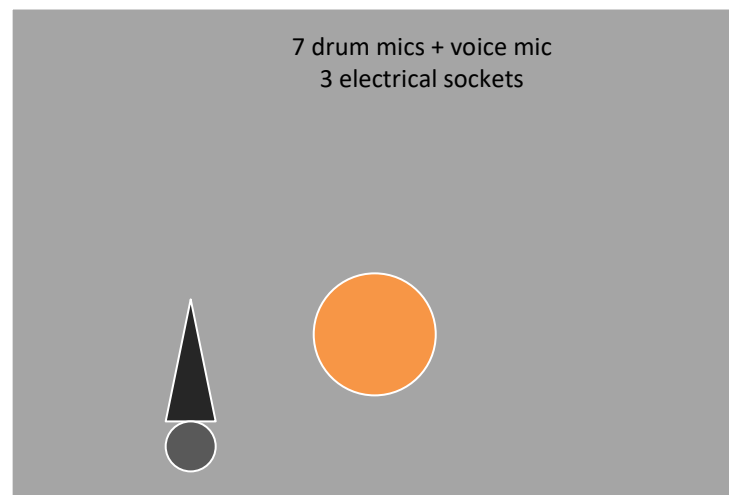

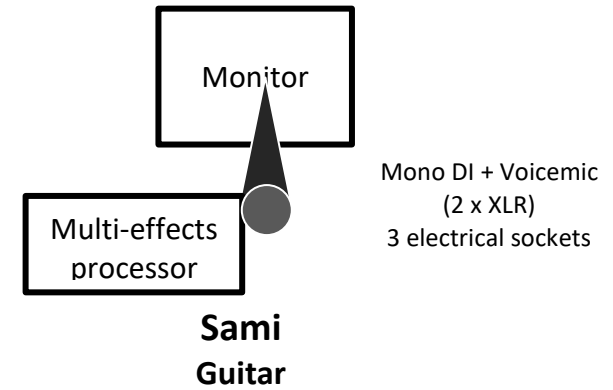

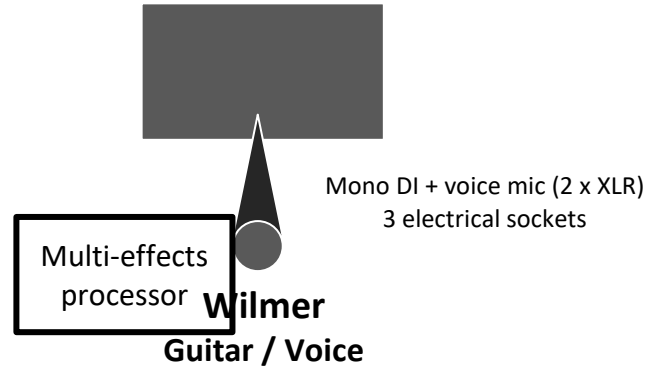

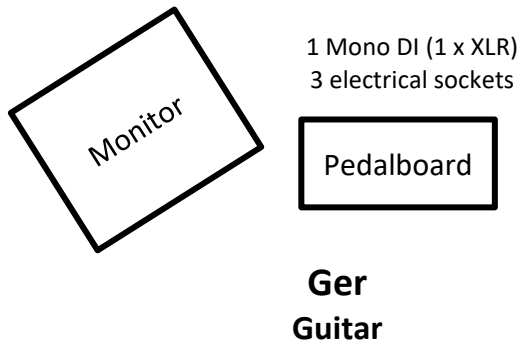

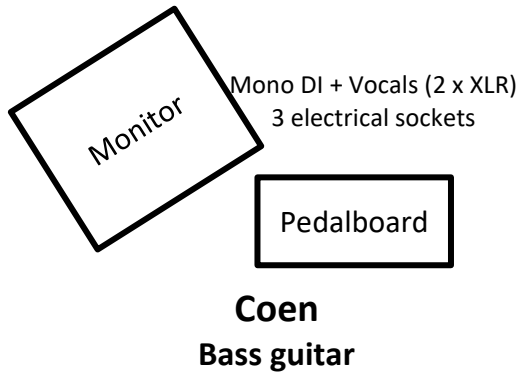

In Ear Rack system

The Fvcking Foo's bring their own in ear rack. Venues can split from or to our rack system. XLR snakes are provided and this ensures FOH and the inear system receive direct feeds without hindering or affecting each other.

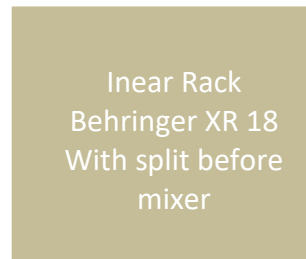

TO SUPPLY

- 4 monitors
- PA system
- 1 mix table + sound engineer
- Lights set
- 1 complete drum kit (if available)
- 4 electric sockets (230V – 50Hz) - 3 inputs per musician
- 4 dynamic singing mics + stands
- 1 riser for drum kit (if possible)

Stage Planner
5 Musicians

6 electrical sockets for inear systems
